Family, Friends, and Fans of the NCBBA,

Welcome to Coach Scott Lang Court here in beautiful Pittsburgh, Pennsylvania. We are excited to have you in attendance for the inaugural NCBBA National Championship Tournament. In the second year of its existence, student athletes from colleges and universities across the country have competed for the chance to win the NCBBA National Title. 2016 marks the third year that the National Title will be crowned on the court. This picturesque city, sitting beside three major rivers in the western region of Pennsylvania, offers a unique blend of attractions and activities guaranteed to please all ages and tastes making Pittsburgh the perfect location to hold this National Championship event.

For those who are not familiar with the concept of Club Basketball, a Collegiate Club Basketball Program allows students the opportunity to continue playing competitive college basketball after high school. The beauty of Club Basketball is that these organizations are student run. Scheduling, travel planning, equipment purchasing, fundraising, and the rest of the off-court management falls directly upon the shoulders of the elected student officers. When young, motivated college students put forth the required effort to run a successful Club Basketball Program, just for the opportunity to continue playing, what you end up with are outstanding ball players. By that we mean those who play for the sheer excitement of the game. They play for themselves. They play for the love of the game. For this reason alone, each one of these ball players is already a champion. Please take the time to congratulate them on the hard work they've put forth to make their Club Basketball Program successful enough to earn a chance to compete for the National Championship.

I would like to extend my appreciation to the administrators of LaRoche College, Richardson Caps, Wilson Sporting Goods, Rawlings Sporting Goods, Macleem Sportswear, Best Western, Enterprise/National, FundRazr, PLDGIT, and La Quinta Inn & Suites Pittsburgh North for all of their efforts to make this Championship Tournament a success. Without their support and enthusiasm, this event would not have been possible. I would also like to thank you, the families and fans, for coming and supporting Collegiate Club Basketball all across the United States. As the NCBBA continues to develop in the upcoming years, we hope that your interest will too. Thank you again for coming out to join us - I'm sure you'll enjoy all of the action.

Sincerely,

Sandy Sanderson
