## Breaking: Tytan Athletics Becomes the Official Uniform Provider of the NCBBA

Pittsburgh, PA -- CollClubSports is excited to announce that Tytan Athletics is now the Official Uniform Provider of the NCBBA! This partnership provides opportunities for both the NCBBA Men's and Women's leagues. Tytan Athletics, a Utah based company, has made uniforms since 2015 for many different sports including basketball, rugby, football, & volleyball.

Tytan Athletics offers a uniform builder on their website which gives you the ability to see your potential design before purchasing. All uniforms ordered will feature the NCBBA logo not only on the tops but also on the uniform bottoms - free of charge. Tytan offers everything from jersey tops to complete sets (tops & shorts). They also offer reversible sets. All uniforms will be sold to NCBBA teams at an exclusive discount.

"We're extremely excited to have Tytan Athletics on board as I really think our NCBBA teams are going to get a lot out of this partnership," said CollClubSports Vice President of Marketing, Eric Curitore. "Our teams will have the opportunity to take advantage of all their high quality uniforms at exclusive NCBBA pricing. With Tytan Athletics having a large array of customizable options to offer, NCBBA teams should be very excited!"

"We're truly honored to be the official partner of NCBBA. We work hard to create fast lead times with on-time delivery for your team. Each of our jerseys are 100% Fully Customizable and are made from the highest quality fabrics, ensuring your team will have the most comfortable fit while being completely durable and long-lasting." -Tytan Athletics
