2023-24 Season Outlook: Strength in the center position to help get rebounds and protect the paint, Added true point guards to help the team get their looks, Biggest strength is the amount of shooting the team has.

Head Coach Quote: The sky is the limit for this team, this team is loaded with talent as this team is composed of freshmen who are hungry to win and are willing to play team ball to bring this team to the top. The amount of shooting is going to be off the charts as all players are capable to hitting shots with in and behind the arc. It will be exciting to see how the team performs this year.

2023-24 NCBBA-M TEAM PREVIEW GUIDE

freshman, sophomore, and junior class. We have returning many players with experience who have only got better since last year. Super Senior Chris Gomez is the heart and soul of this team and is looking to go out with big last year. Junior Ryan Utt will look to build on an already impressive NCBBA career with the goal of All American this year. With all the new and returning talent, Dayton will be poised for a run at the conference title this spring.

ready to demonstrate their skills and dedication to each other, making this season one to watch for fans and rivals alike.

Head Coach Quote: "Our team is certainly going to look different than it did last year but I love how our team is coming together. We've practiced hard, are settling into our roles, and are playing better team basketball than we were at this point last season. I'm excited to see how we adapt and handle new challenges along the way with our new look squad. As always, the goal around here is a National Championship and we're going to do everything possible to make that happen."
