2023-24 Season Outlook: Coming off of an electric national championship run, the defending champions are looking ready to repeat. Returning players like national championship MVP Jonny Garnett and sharpshooter Jake Kremer should put the Bruins back in the running once again. With returners ready to take a leap into bigger roles (Cody Yamaki, Jack Williams, Misha Reiss, Benji Moore) and plenty of newcomers ready to contribute, UCLA should be the team to beat once again this season.

Head Coach Quote: I'm really excited about how our team looks this season. It's going to be tough to go back-to-back but if anyone can do it, it's this group of guys.
