NATIONAL CLUB BASKETBALL ASSOCIATION

Official Tournament Program

Family, Friends, and Fans of the NCBBA,

Welcome to the Highmark Events Center on the beautiful campus of Gannon University in Erie, PA. We are excited to have you join us for the 7th Annual NCBBA National Championship Tournament. For seven years now, student athletes from colleges and universities across the country have competed for the chance to win the NCBBA-M National Title. This traditional college town, located along the Great Lake Erie, offers a unique blend of urban attractions and collegiate activities guaranteed to please all ages and tastes making Erie, Pennsylvania an exceptional location to hold this National Championship Tournament.

For those of you who are new to the concept of club basketball, a collegiate club basketball program allows students the opportunity to continue playing competitive college basketball after high school. The beauty of club basketball is that each organization is student-run. Scheduling, planning, equipment purchasing, fundraising and the rest of the off-court management falls directly upon the shoulders of the elected student-officers. When young, motivated, college students put forth the required effort to run a successful club basketball program just for the opportunity to continue playing, what you end up with are quality ball-players. By that we mean those who play for the sheer excitement of the game. They play for themselves and they play for the love of the game. For these reasons alone, each one of these athletes is already a champion. Take the time to congratulate them on the hard work they have put forward to give their club basketball Program a chance to compete for the National Championship.

We would like to extend our appreciation to the members of the Gannon University Athletic Department, Erie Sports Commission, Sheraton Erie Bayfront & Courtyard by Marriot Erie Bayfront Hotels, Molly Brannigan's, Wilson Sporting Goods, The Game Headwear, Phenom Elite, and FundRazr for all of their efforts to make this National Championship Tournament a success. Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting collegiate club basketball all across the United States. We have experienced tremendous growth within our organization and as the NCBBA continues to develop, we hope that your interest will too. Thank you again for coming to the arena. We are sure you will enjoy all of the action.

Sincerely,

GREAT LAKES REGIONAL CHAMPIONS

21-2 (8-0 CONFERENCE)

"After not having a season last year due to Covid-19, our team was excited to compete at the highest level this year. We started the season by winning the Wright State Raider Classic and then proceeded to win our conference obtaining an undefeated conference record. We've been improving as a team all season and our efforts were rewarded as we defeated Notre Dame in our regional championship game. This is the second time in five seasons that we have qualified for the national tournament. Overall we have compiled a 21-2 record and look forward to representing Purdue University on the national stage and hopefully will bring home our second national championship. "

Everyday the guys come in the gym looking to get better, and every day we take steps forward which is what has led us to the National Tournament. I'm really proud of our guys and all the grit, toughness and hard work they have shown, specifically over the last few weeks but also throughout the whole season.
