NATIONAL CLUB BASKETBALL ASSOCIATION

Official Tournament Program

Family, Friends, and Fans of the NCBBA,

Welcome to the Hagerty Family Events Center in Erie, PA. We are excited to have you join us for the 10th Annual NCBBA National Championship Tournament. For ten years now, student athletes from colleges and universities across the country have competed for the chance to win the NCBBA-M National Title. This traditional college town, located along the Great Lake Erie, offers a unique blend of urban attractions and collegiate activities guaranteed to please all ages and tastes making Erie, Pennsylvania an exceptional location to hold this National Championship Tournament.

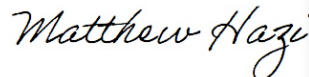

For those of you who are new to the concept of club basketball, a collegiate club basketball program allows students the opportunity to continue playing competitive college basketball after high school. The beauty of club basketball is that each organization is student-run. Scheduling, planning, equipment purchasing, fundraising and the rest of the off-court management falls directly upon the shoulders of the elected student-officers. When young, motivated, college students put forth the required effort to run a successful club basketball program just for the opportunity to continue playing, what you end up with are quality ball-players. By that we mean those who play for the sheer excitement of the game. They play for themselves and they play for the love of the game. For these reasons alone, each one of these athletes is already a champion. Take the time to congratulate them on the hard work they have put forward to give their club basketball Program a chance to compete for the National Championship.

We would like to extend our appreciation to the members of the Hagerty Family Events Center Administration, Erie Sports Commission, Moe's Southwest Grill, Courtyard Erie Bayfront, Sheraton Erie Bayfront, Rawlings Sporting Goods, The Game Headwear, Tytan Athletics and FundRazr for all of their efforts to make this National Championship Tournament a success. Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting collegiate club basketball all across the United States. We have experienced tremendous growth within our organization and as the NCBBA continues to develop, we hope that your interest will too. Thank you again for coming to the arena. We are sure you will enjoy all of the action.

Sincerely,

Sandy Sanderson

"This Ohio State team has done what no other before it has accomplished on our way to an undefeated regular season, a happy valley tournament championship, a regional title, and being the top overall seed at Nationals. What has made this team special has been the way we've won; consistently being unselfish, coachable, and always staying hungry despite our unblemished record. We are determined to cap this season off with a national title amongst a very tough field of great teams." - Doug Patterson

We take great pride in representing JMU, and we're ready to leave it all on the court for our school and our supporters."

NORTH CAROLINA TAR HEELS

SOUTH ATLANTIC REGION CHAMPIONS

15-1 (13-1 CONFERENCE)

Coaching Staff

Player/Head Coach

Tucker Shank

“We came into this year following two seasons that was going to potentially lead to our club being disbanded. Our goal coming into the season was to not only win, but simply just to play games, and have fun. I feel our season has gone beyond anything we could have imagined. 13-1 in the conference to winning regionals, Carolina Club Basketball is here to stay for years to come.” - Team President— Tucker Shank
